**What is a Paint Around? Our Paint Around involves four award-winning artists, each beginning a watercolor work on archival watercolor paper, and then rotating every several minutes until they are back to the original piece that they started. All four artists then sign each artwork since they have contributed to each piece. We will then begin the silent auction for those works.**

**5-6:30 Paint Around**

**7 pm Silent bidding ends**

**7 pm Raffle for prizes**

**“The Purpose of the Art Association shall be to further and provide education in the cultural aspects of life on Ft. Myers Beach and its environs; to promote the study, practice, and appreciation of art; to hold art exhibitions and programs, which are open to the public; and to encourage art instruction of children and junior artists.”**

**We fulfill our purpose by offering a plein air event at Beach Elementary, Scholarships for seniors pursuing art education after graduation, a show with awards for middle and high school students from Cypress Lakes, and a student division for the Quick Draw event, which is part of Paint the Beach.**
